Note:

This table lists Peverel Retirement homes by frequency of occurrence and approximate similarity of the development names. Names at the top recur; those the end are unique. Uniqueness is no guarantee that names will necessarily be distinguished -- some unique names differ only slightly.

It is not known if *any* of Peverel's incorrect attribution of charges to developments arises from names that *may* be confused. If it does this list may provide an indication of the potential for confusion.

Names in italics are unique.
